Danang, December 19, 2011

To: **Mr. Christopher J. Fussner**
Chairman, VEF Board of Directors

C/c: **Dr. Lynne McNamara**
VEF Executive Director

Dear Mr. Christopher J. Fussner,

Thank you very much for your letter dated on December 15, 2011. I also would like to take this opportunity to convey our sincere thanks to the kind continued support of the Vietnam Education Foundation to Danang University of Technology (DUT) during the past few years.

DUT highly evaluation all the results that the VEF has been doing in order to support to the development of Vietnam's higher education in the fields of natural sciences, engineering, and technology. We strongly believe that DUT and other Universities in Vietnam have greatly benefited from excellent, well-organized programs and valuable activities provided by the VEF so far.

For the further development of our DUT as well as for the progress of education renovation in Vietnam in the coming years, we very much hope that such valuable supports from the VEF will be continued. DUT does hope that there will be more lecturers of our university will have chances to participate in the academic programs and activities offered by the VEF in the near future.

We look forward to continued and fruitful cooperation between DUT and the VEF

Best wishes for a Happy New Year.

Sincerely yours,

Prof. Dr. Le Kim Hung
Rector
Danang University of Technology
